# SOP 1 : Question/Aim

Create a website using HTML5 and CSS using any 4 CSS properties. Write a code for 2 separate pages having different file names such as first page as Index.html and second page as page2.html.Use any theme such as college profile or company profile etc. Every page must contain proper Meta information and design web page as follows-

1)The index page must contain a heading which is highest among other text on pages and must be at centre of the page. There must be a paragraph which introduces general information about the theme chosen must have at least 3 physical style tags and one image with alternate text. This page must be connected to other two pages with proper navigational links.

2)The 2nd page must contain the feedback or enrolment form related with theme chosen with features of HTML5. The form must contain text element and email address of the company or person. Include the submit button.

SIES COLLEGE OF ARTS , SCIENCE AND COMMERCE

SIES College of Arts,Science and Commerce is formerly known as South Indian Educaion Society.It is an AUTONOMOUS college. It is located at Jain Society, Near Guru krupa hotel ,*SION* West.It is located at five minutes walking distance from railway station as well as bus stand.It was started in the year of 1960.

Why students take admission in SIES Junior College?

Our college is producing best results in the city.We are proud to have all the toppers in SSC Examination from reputed schools taking admission in our college and strengthening their base in academics.SIES has been ranked as the topmost colleges in Mumbai.The SIES was awarded as Best College by India Today. Also it is well equipped with library comprising maximum books and a huge reading hall.Similarly laboratory facilities for science and computer subjects is provided. It facilitates a student centered environment where the intellectual,cultural,social ,physical and recreational needs of the students are fulfilled.It has a very good infrastructure and it is well maintained.
